### Travel Preparation:

1. When flying, check in 24 hours in advance and print your boarding passes
2. Get prescription medications filled to last the duration of your trip.
3. Copy your itinerary and emergency contact information, put one in every suitcase & leave one with a neighbor or close friend in case of an emergency.

### Home Preparation:

1. Arrange care of pets and plants.
2. Halt delivery of newspaper, mail & other regular home deliveries with the exception of lawn and pool care.
3. Close curtains / blinds
4. Adjust thermostat
5. Notify friends, family and trusted neighbors that you'll be gone.
6. Discard perishable food
7. Put indoor & outdoor lights on a timer
8. Double check all windows, door and alarm
